Job Description

At FulmenTech, we deliver expert solutions in the design, procurement, and innovation of high-voltage electrical systems ranging from 4160V to 500KV. With a strong foundation in Quality, Safety, Efficiency, and sense of Social Responsibility, we provide highly specialized and customized solutions across various industrial sectors with services across northAmerica and abroad to ensure performance, resiliency, and cost effectiveness at every stage. By delivering tailored engineering solutions, FulmenTech helps clients minimize risks, enhance operational efficiency, and protect their investments in critical infrastructure.
